Disclaimer

MandG Investments Unit Trusts (South Africa) (RF) Ltd MandGinvestments Unit Trusts (South Africa) (RF) Ltd (Registration number: 199/0524/06) is an approved CISCA management company (#29). Assets are managed by MandG investment Managers (Pty) Ltd, which is an approved discretionary Financial Services Provider (#45199). The Truste's / Lusteical and etails are: Standard Bank of South Africa limited – Trustees Services & Investor Services. 20th Floor, Main Tower, Scillective Investor Services. 20th Floor, Bant Component Component Schemes (Intrust) are generally medium-to long-term investments. Past performance: Unit trust onces are calculated on a net asset value Unit trust prices are calculated on a net asset value basis. This means the price is the total net market value of all assets of the unit trust fund divided by the total number of units of the fund. Any market movements for example in share prices, bond prices, money market prices or currency fluctuations - relevant to the underlying assets of the fund may cause the value of the underlying assets to go under the order of the prices. the underlying assets to go up or down. As a result, the price of your units may go up or down. Unit trusts are traded at the ruling forward price of the day, meaning that transactions are processed during the day before that trainsactions are processed buring the day before you or the Manager know what the price at the end of the day will be. The price and therefore the number of units involved in the transaction are only known on the following day. The unit trust fund may borrow up to 10% of the fund value, and it may also lend any script (proof of ownership of an investment instrument) that it holds to earn additional income. A M&G out it trust fund: holds to earn additional income. A M&G unit trust fund may consist of different fund classes that are subject to different fund classes that are subject standard ongoing adviser fee, which is included in the overall costs of the fund. A unit trust summary with all fees and maximum initial and ongoing adviser fees available on our website. One can also obtain additional information on M&G products on the M&G website. The information on M&G products on the M&G website. The Fund may hold foreign securities including foreign (15 funds. As a result, the fund may face material risks. The volatility of the fund may be higher and the liquidity of the underlying securities may be restricted due to relative market sizes and market conditions. The fund's ability to settle securities and to repatriate investment income, capital or the proceeds of sales of securities may be adversely affected for multiple reasons including market conditions. market conditions, macro-economic and political circumstances. Further, the return on the security may be affected (positively or negatively) by the difference in the positively or negatively) by the difference of the positive of the departies of formation to the security of the se in tax regimes between the domestic and foreign tax jurisdictions. The availability of market information and information on any underlying sub-finds may be delayed. The Manager may, at its discretion, close your chosen unit The Manager may, atts discretion, close your chosen unit trust fund to new investors and additional investments by existing investors to make sure that it is managed in accordance with its mandate. It may also stop your existing debit order investment. The Manager makes no guarantees as to the capital invested in the fund or the returns of the fund. Excessive withdrawals from the fund may place the fund under liquidity pressure and, in certain circumstances, a process of ring fencing withdrawal instructions may be followed. Fund prices are published daily on the M&G website. These are also available upon request. The performance is calculated for the portfolio. Individual investor performance may differ as a result of initial fees, the actual investment date, the date of reinvestment and dividend withholding tax. the date of refinestment and requerchance requests must be received by the Manager by 13h30 (11h30 for the Money Market Fund) SA time each businesday. All online purchase and repurchase transactions must be received by the Manager by 10h30 (for all Funds) SA time each business day.
